Subject: bank of walmart

Dear Judge,

Bank of WalMart. WOW Before we know it I will be paying my taxes to The United States Of Wal Mart.

I have a small business in a small town in Illinois, and Wal Mart came to town...WOW great move, the village gave them all kinds of incentives, and what happened, there are fewer and fewer small businesses in town. Now they want to become bankers too, I can see it now, I will go in to Wal Mart bank and apply for a business loan...opps sorry, we sell that stuff in our Wal Mart...no loan for you.

What about all the local community banks, like the hardware stores , the Drug Stores and local grocery stores. Wal Mart. Wal Mart is getting to big and forcing more and more businesses out of business or sending them overseas. Should Wal Mart be in banking? Not if I was voting.
